I told myself today was gonna be the day  
No more excuses 'cuz I knew exactly what to say  
Was gonna make my play but just like yesterday  
My mind erased and I let the moment slip away  
Another night got me sitting here all alone starin' at  
the phone  
nut i cant get passed the dial tone wrakkin' my brain  
goin insane  
again and again  
can't keep goin' this way

Crushed by the sweetest lips I never kissed.  
And your fingertips and the warmest touch  
that I've always missed.  
Crushed by the softest hands I never held.  
probably never tell,  
you're the strongest love that I've ever felt.  
Crushed that I haven't ever let you know,  
how it always goes, cause I lose my nerve  
whenever you get close.  
And so I'm left, short-of-breath,  
with that heavy feeling in my chest.  
Baby I'm so crushed.

So I tell myself, that tomorrow's gonna be the day.  
And I keep on telling myself that I'm gonna find a way.  
And I won't be afraid just like yesterday,  
Won't walk away, Never gonna let another chance slip  
away.  
Cause I gotta know, whichever way it's gonna go.  
Risk my heart and soul cause there can never be no  
more.  
Wracking my brain, going insane, again and again,  
I won't keep going this way.

Crushed by the sweetest lips I never kissed.  
And your fingertips and the warmest touch  
that I've always missed.  
Crushed by the softest hands I never held.  
probably never tell,  
you're the strongest love that I've ever felt.

Crushed that I haven't ever let you know,

how it always goes, cause I lose my nerve  
whenever you get close.

And so I'm left, short-of-breath,  
with that heavy feeling in my chest.

Baby I'm so crushed.

Crushing I'm so into you, don't know what i'm going to  
do.

Gotta find a way to you. I don't know just what to do.

Crushing I'm so into you, don't know what i'm going to  
do.

Gotta find a way to you. Ohh, I~

Crushing I'm so into you, don't know what i'm going to  
do.

Gotta find a way to you.

And so I'm left, short-of-breath, with that heavy feeling  
in my chest.

Baby I'm so crushed.

Crushed by the sweetest lips I never kissed.

And your fingertips and the warmest touch  
that I've always missed.

Crushed by the softest hands I never held.  
probably never tell,

you're the strongest love that I've ever felt.

Crushed that I haven't ever let you know,  
how it always goes, cause I lose my nerve  
whenever you get close.

And so I'm left, short-of-breath,  
with that heavy feeling in my chest.

Baby I'm so crushed.

Crushing I'm so into you, don't know what i'm going to  
do.

Gotta find a way to you. (and I wanna stress that I  
always missed)

(Crushed)

Crushing I'm so into you, don't know what i'm going to  
do.

Gotta find a way to you. (strongest love I ever felt)

(Crushed)

Crushing I'm so into you, don't know what i'm going to  
do.

Gotta find a way to you.

And so I'm left, short-of-breath, with that heavy feeling  
in my chest.

Baby I'm so (crushed)..
