### "How can sorry"

what can i say when words can't make it better  
what do i do, when i can't forgive myself of what i done  
where can i go when memories are tearing me apart  
how can sorry ever mend a broken heart

how can i hope when everything is hopeless  
why do i try when nothing i can do will bring you back  
why do i dry my cryin eyes when i know the tears will  
start  
how can sorry ever mend a broken heart

you only ever treated me so kind  
must've been stupid out of my mind  
i let you down one too many times  
where can i go when memories are tearing me apart  
how can sorry ever mend a broken heart

how could i have messed it up so bad  
thrown away everything we had  
looked in the mirror dont know who i am

what can i say when words can't make it better  
what do i do when i cant forget myself of what i done  
where can i go when memories are tearing me apart  
how can sorry ever mend a broken heart  
why do i dry my cryin eyes when i know the tears will  
start  
how can sorry every mend a broken heart
