Ever think about how the world turns
Or how I love you
Never really tried to get my attention
Lets break the tension
Always together in Detention

Always together Always together
in my heart In my mind
And even though you are gone I will always remember
the fun times
latidatatidatidatida

Ever remember that carnival day
When you wone me my bear
First date
First kiss
First time that you missed

Always together Always together
in my heart In my mind
And even though you are gone I will always remember
the fun times
latidatatidatidatida

Over and under and over again
Baby oh baby
letme go in
Your heart is the key to mine so let me in let me in

Always together Always together
in my heart In my mind
And even though you are gone I will always remember
the fun times
latidatatidatidatida

Always together Always together
in my heart In my mind
And even though you are gone I will always remember
the fun times
latidatatidatidatida

Always together Always together
in my heart In my mind
And even though you are gone I will always remember
the fun times
latidatatidatidatida
