Day and night, I find myself  
Trying to figure out a way to make this work somehow  
But my emotions always get in the way  
Of what I really mean to say  
And it only makes things worse, somehow

It's not fair (it's not fair)  
I wanna be there (wanna be there) where you are  
Oh it's, it's not fair (it's not fair)  
I wanna be there (wanna be there) where you are

It's like every time I talk to you  
Things fall right apart again  
'Cause I start feeling that emptiness  
That lies deep in my heart  
And this telephone  
It won't change that im still alone  
And I wish that things could go  
Back to how they used to be before

It's not fair (it's not fair)  
I wanna be there (wanna be there) where you are  
Oh it's, it's not fair (it's not fair)  
I wanna be there (wanna be there) where you are  
Oh even a walk through the park is not the same  
When you're not there  
Even the picture frame it feels my pain  
And who's to blame? All I know,

It's not fair (it's not fair)  
I wanna be there (wanna be there) where you are  
Oh it's, it's not fair (it's not fair)  
Oooh I wanna be there (wanna be there) where you are

Ooh la la la la la  
la la la la la lala  
la la la la la lala la la  
Ooh la la la la oooh  
la la la la lala  
la la la la la lala la oooh

Ooh It's, it's not fair

I wanna be there where you are  
Oh it's, it's not fair  
I wanna be there where you are
