Love is such a novelty  
A rarely painted masterpiece  
A place few people go or ever know  
An underwater rocket love  
Exactly what I'm searching for  
You're brave enough to go  
Tell me so...

Say you'll go to nirvana  
Will you leave Samsara?  
In the words of Dhammapada  
Who will lead? Who will follow?

Our love will sail in this ark  
The world could end outside our window  
Let's find forever  
And write our name in fire on each other's hearts

Love is not a fantasy  
A haiku written in Japanese  
A word too often used but not believed

Witness the interaction of  
The flood, the sea, the sky, the dove  
Time erodes the shore but not our love

Say you'll go to nirvana  
Will you leave Samsara?  
In the words of Dhammapada  
Who will lead? Who will follow?

Our love will sail in this ark  
The world could end outside our window  
Let's find forever  
And write our name in fire on each other's hearts

Do, do, do, do

Our love will sail in this ark  
The world could end outside our window  
Let's find forever  
And write our name in fire on each other's hearts
