I'm an alien from outer space
(Outer space)
I'm a cyber girl without a face a heart or a mind
(A product of the man, I'm a product of the man)
Ci ci ci

I'm a savior without a race
(Without a face)
On the run 'cause they [unverified] hit our ways
And chase my kind
They've come to destroy me

And I think to myself
(Impossible, it's impossible for me)
Wait, it's impossible
Now they're getting at me
(And the police are after you)
They're even after you, for loving too

And all the sirens go doodoo
The sirens go doooooooodoo
Doodoo
Ohh baby, uhh, you know the rules
I love you and I won't take no [unverified]

They say that violet stars was such a freak
(Such a freak)
When you're all in lost in love
Following them dark [unverified]
Of Neon Valley streets
(Of neon valley streets)

A pretty day makes a pretty picture
But fall in love and they're coming to get ya
Who knew ten men with guns were at the door
They trick and treat?

Wait, it's impossible that they're coming for me
(The police are after you)
And now they're after you
(For loving too)

Baby, I hear the sirens go doodoo
Sirens go doodoo
Dooooooodoo
Come on, baby ?cause here they're coming now
(You know the rules)

(Whispering)
It's impossible that they're coming for me
(The police are after you
He loves me too)

And now they're after you
(For loving too, he loves me too)

Baby, I hear the sirens go doodoo
Sirens go doooooo
Dooooooodoo
(I said, uhh baby)
You know the rules
