Hey baby, just let me do all the work  
Wait, let me put this record on  
Mmm, I like that  
Tonight you're all mine, mmm  
Afros, incense, and black lights  
Love beads, mood rings and candle light  
Zodiac says the time is right  
For a 70's love groove  
70's love groove

Afros, incense, and black lights  
Love beads, mood rings and candle light  
Zodiac says the time is right  
For a 70's love groove

Mmm, do you like my body?  
I've got on what you like  
Take your time  
We've got all night

70's kinda love, ohohh  
(Oh, that's nice)  
70's kinda love, yeah baby, mmm

Afros, incense, and black lights  
Love beads, mood rings and candle light
