Its traveling faster than the eye can see

Information in the sky

Messages beamed across the atmosphere

Transmitted by you and i

Chorus:

Communication

Say the words

Are you there?

Can I be heard?

First indication

Heart to heart

Come together

Worlds apart

Oh, thank heavens for the microwave

Cant ignore technology

Its so easy to communicate

How come youre not hearin me

Chorus 2:

Communication

Say the words

Are you there?

Can I be heard?

Station to station

Coast to coast

Face to face

Will tell you most

Now were livin in the computer age

The pictures on my video

I keep your number in my database

Turn it onto audio

Communication

Say the words

Are you there?

Can I be heard? (why dont you say that you need me)

Person to person

Heart to heart

Come together

Worlds apart

Repeat chorus 2

Repeat chorus

Communication

Say the words (why dont you say it babe)

Are you there? (why dont you say it babe)

Can I be heard? (why dont you say it babe)

Communication (why dont you say it babe)

Heart to heart

Come together

Worlds apart

Communication
