Cool Sexy Daddy

See you walking down the streets
I know that you're a bonafide man
Sexy, smart and all that's sweet,
You're representing all I never had
Are you available, accessible attainable
Or only for my dreams?
You make me wanna get with you
The way you look at me

Chorus:

'Cos you're a cool, sexy daddy
I knew it when I saw you the first time
Cool Sexy Daddy
Daddy don't you wanna spend some time
Cool Sexy Daddy
I knew it when I saw you the first time
Cool Sexy Daddy
Daddy, don't you wanna spend some time with me

You're not the average, undistinguished,
Ordinary, mediocre guy
You're a different story
Nothing ordinary
Won't you ask me why
If you walk with me and talk with me
I'll explain
Your modesty and style
Your charismatic smile
Makes me wanna say
(Voulez-vous couchez avec moi!)

'Cos you're a cool, sexy daddy
I knew it when I saw you the first time

Cool Sexy Daddy
Daddy don't you wanna spend some time
Cool Sexy Daddy
I knew it when I saw you the first time
Cool Sexy Daddy
Daddy, don't you wanna spend some time with me

I wanna get to know yah
In every single way
You might like the way I look
And what I have to say
I've been waiting too long
To find some one like you
Baby, give me just one try
I promise I'll be true to you

Cool sexy daddy, hey hey hey

'Cos you're a cool, sexy daddy
I knew it when I saw you the first time
Cool Sexy Daddy
Daddy don't you wanna spend some time
Cool Sexy Daddy
I knew it when I saw you the first time
Cool Sexy Daddy
Daddy, don't you wanna spend some time with me

Adlib:

Just walk and talk and walk with me
I said just walk and talk and walk with me
Baby, walk and talk and walk with me
I said just walk and talk

Cool Sexy Daddy!
