You tell me you love me

You tell me you care

But when I'm around you, it's like I'm not there

I need a reminder, something I can see

Something on my finger, shining so brightly

Chorus:

Don't you know, diamonds are a girl's best friend

When you go, they stay with me until the end

Don't you know, diamonds are a girl's best, best friend

When you go, they stay with me until the end

Chorus 2:

Don't want your money

Don't want your key

(diamonds)

Love don't come for free

Repeat chorus 2

You sent me some roses, but roses do die

You gave me some candy, it melted, nice try

I'm not that demanding

I just have simple taste

I just want a token, that can't go to waste

Diamonds

Da da da da da

Herb blow!

Da da da, da da da

Repeat chorus 2

Repeat chorus

Repeat chorus 2
