Fight for the power --- Janet Gabriel

Got to fight for the power \*4

Chorus

Fight the power within yourself  
Fight to set it free  
Fight the power within yourself  
Fight to set it free

Do you wonder  
Where life is going?  
Do you wonder  
What this life means?  
Are you lonely?  
With no direction?  
Been at war with yourself,  
Would you find peace?  
You've got to fight!

Chorus

-----

Fight the power within yourself  
Fight to set it free  
Fight the power within yourself  
Fight to set it free

Free yourself  
From all addictions  
Build the strength to  
Fulfil your dreams  
All the gold in the world

Ain't worth a dime  
If your freedom is compromised  
You've got to fight!

Chorus

-----

Fight the power within yourself  
Fight to set it free!  
Fight the power within yourself

Fight to set it free!

Give your life  
A bigger mission  
Give it meaning  
And see the light  
You need to be one, need to be one  
With the universe  
With the power within your mind  
You've got to fight

Chorus

-----

Fight the power within yourself  
Fight to set it free  
Fight the power within yourself  
Fight to set it free

Got to fight for the power \*2

Set it free \*4
