People gather round  
At the lennox lounge  
To hear the funky sounds  
The beat hits so hard  
Theres no cover charge  
You have to feel the groove

Chorus:  
One thing is youve got to be real  
If you want to hear the  
Funky big band  
He who knows it feels it  
Got to be real  
If you want to hear the  
Funky big band  
We who knows it feel it

Harlem is the place  
Where youll find the face  
Of those who feel the groove  
Its not taught to thee  
But its born to we  
Aw and I feel the groove

Chorus

And the band plays  
From the big band  
And the band plays  
From the big band

Its funky  
You feel it  
Its funky  
To be real  
Its funky  
You feel it  
Oh its funky  
To be real

Chorus

We who know it feel it (4x)
