[Elton]

How have I come to this?  
How did I slip and fall?  
How did I throw half a lifetime away  
Without any thought at all?  
This should've been my time  
It's over, it never began  
Facing a world, for once not on my side  
I simply turned and ran  
I try to blame it on fortune  
Some kind of shift in a star  
But I know the truth and it haunts me  
Its flown just a little too far  
I know the truth and it mocks me  
I know the truth and it shocks me  
Oh, it's flown just a little too far  
Yeah-e-yeah-e-yeah-e-yeah-e-yes

[Janet]

People had faith in me  
I think I once did too  
I promise whoever has a hold on our lives  
I'll see the bad times through  
This should have been my time  
It's over, it never began  
Facing a world, for once not on my side  
I simply turned and ran  
I try to blame it on fortune  
Some kind of twist in my fate  
I know the truth and it haunts me  
I learned it a little too late  
I know the truth and it mocks me  
I know the truth and it shocks me  
I learned it a little too late

[Both]

I try to blame it on fortune  
Some kind of twist in my fate  
(But) I know the truth and it haunts me  
I learned it a little, a little too late  
I know the truth and it mocks me

I know the truth and it shocks me  
Oh, oh, yeah, I learned it a little too late

[Elton]  
Yeah-e-yeah

[Janet]  
Yes I did, ooh
