Ive got my eyes on you

Youre playin with peek-a-boo

And its so exciting

Theres such a chemistry between you and me

So theres no use fighting

Dont say, its so good j

Just give your heart away

cause Ill find the words to say...

Chorus:

If it takes all night

If it takes all night, honey

Gonna make you mine

If it takes all night

Gotta find a way

To get inside your heart tonight

Ill make the lovin right

If it takes all night

I hear what people say

Loves just a game you play

For the competition

Even some friends of mine

Say that Im wastin time

But my heart wont listen

I know they want you too

They say I wont get through

But it will be me and you

Repeat chorus

I know my lover when I see him in disguise

And I wont give up til I see that fire in your eyes

Repeat chorus
