Sittin' over here  
Starin' in your face  
With lust in my eyes  
Sure don't give a damn and  
Ya don't know  
That I've been dreamin' of ya in my fantasy  
Never once you looked at me,  
Don't even realize that I'm wantin' you  
To fulfill my needs  
Think what you want  
Let your mind free  
Run free to a place that no one dares to

How many nights I've laid in bed excited over you  
I've closed my eyes and thought of us,  
A hundred different ways  
I've gotten there so many times  
I wonder how 'bout you  
Day and night, night and day  
All I've got to say is

Chorus:  
If I was your girl  
Oh the things I'll do to you  
I'd make you call out my name  
I'd ask who it belongs to  
If I was your women,  
The things I'd do to you  
But I'm not, so I can't,  
Then I won't  
But, if I was your girl

Allow me some time to play with your mind  
And you'll get there again and again  
Close your eyes and imagine my body undressed  
Take your time, we've got all night  
You on the rise as you're touchin' my thighs  
And let me know what you like  
If you like, I'll go down  
Da down down down da down down  
I'll hold you in my hand and baby

Your smooth and shiny feels so good against my lips,  
sugar  
I want you so bad I can taste your love  
Right now, baby  
Day and night, night and day  
All I've got to say is

Chours (x2)

I've laid in bed excited over you  
One hundred different ways I've thought of  
Many, Maaaaaannnnny  
All I want to say is

(Chours til end)
