Send some my way -----Janet Gabriel

Never thought I'd see a smile on your face  
After all, I made you cry  
So hard to accept it's over  
Could we give it one more try?  
Our love was once strong  
But now I'm singing sad love songs

Chorus

Love comes easy  
But it some goes on it is way  
And if ever drops by where you are  
Just send some my way

I'm lighting the candle on my cake  
'Cos it's my birthday  
Yes it is today  
Went to a bar and played the juke box  
Franklin, Aretha singing "Ain't no way"  
But the song, it don't apply,  
'Cos I've always know what's on your mind

Chorus

Love comes easy  
But it some goes on it is way  
And if ever drops by where you are  
Just send some my way

You know that life is a journey  
Destination we don't know  
And if love ever comes my way again  
I'll be sure to never let it go.....

Chorus

Love comes easy  
But it some goes on it is way  
And if ever drops by where you are  
Just send some my way

Chorus and adlibs to fade
