Janet Jackson
"70's Love Groove - Previously Unreleased"

Hey baby
Just let me do all the work
Wait, let me put this record on
Mmm, I like that
Tonight you're all mine

Afros, incense and black lights
Love beads, mood rings and candle light
Zodiac says the time is right
For a 70's love groove
(70's love groove)

Afros, incense and black lights
Love beads, mood rings and candle light
Zodiac says the time is right
For a 70's love groove

Do you like my body?
I've got on what you like
Take your time
We've got all night

70's kinda love
70's kinda love

Afros, incense and black lights
Love beads, mood rings and candle light
Zodiac says the time is right
For a 70's love groove

Anything, anything baby
I'll take you places

You've never been before
Touch me here, now touch me there
