All my girls at the party
Look at that body
Shakin' that thing like you never did see
Got a nice package alright
'Cuz I'm gonna have to ride it tonight

All my girls at the party
Look at that body
Shakin' that thing like you never did see
Got a nice package alright
Edit, 4 3 2 1
Chicka ahh

It's all 4 you
If you really want it
It's all 4 you
If you say you need it

It's all 4 you
If you gotta have it
It's all 4 you if you make a move
It's all 4 you

I see you staring out the corner of my eye
You seem uneasy want to approach me, throw me a
line
But then something inside you grabs you, says who am
I
I know exactly 'cuz it happens with all the guys

So you so what you gonna do
Come on and talk to me
Promise you won't even have an attitude
I'll let you sit right next to me

Don't join the list of other fools
That ain't the way to be
Yes, it's cool, yes, I'm in the mood
Intimidations
(Then go to the chorus)

It's all 4 you

(Chicka ahh)
If you really want it
It's all 4 you
If you say you need it

It's all 4 you
If you gotta have it
It's all 4 you if you make a move
It's all 4 you

Can't be afraid or keep me waiting for too long
Before you know it
I'll be outta here I'll be gone
Don't try to be all clever, cute or even sly
Don't have to work that hard
Just be yourself and let that be your guide

So you so do what you gonna do
Come on and talk to me
Promise you won't even have an attitude
I'll even let you sit right next to me

Don't join the list with all the other fools
That ain't the way to be
Yes, it's cool, yes, I'm in the mood
Intimidations got that mind

It's all 4 you
If you really want it
It's all 4 you
If you say you need it

It's all 4 you
If you gotta have it
It's all 4 you if you make a move
It's all 4 you

It's all 4 you
Tell me you're the only one
It's all 4 you
Soon we'll be having fun

all 4 you
Come over here and get some
It's all 4 you if you make a move
It's all 4 you

All my girls at the party
Look at that body
Shakin' that thing like you never did see
Got a nice package alright

'Cuz I'm gonna have to ride it tonight

All my girls at the party
Look at that body
Shakin' that thing like you never did see
Got a nice package alright
'Cuz I'm gonna have to ride it tonight

It's all 4 you
If you really want it
It's all 4 you
If you say you need it

It's all 4 you
If you gotta have it
It's all 4 you if you make a move
It's all 4 you

All my girls at the party
Look at that body
Shakin' that thing like you never did see
Got a nice package alright
'Cuz I'm gonna have to ride it tonight

All my girls at the party
Look at that body
Shakin' that thing like you never did see
Got a nice package alright
'Cuz I'm gonna have to ride it tonight

Tell me you're the only one
Soon we'll be having fun
Come over here and get some
Soon we'll be having fun
(Soon we'll be having fun)
Soon we'll be having fun

Chicka ahh
'Cuz I'm gonna have to ride it tonight
'Cuz I'm gonna have to ride it tonight
Chicka ahh
'Cuz I'm gonna have to ride it tonight
