This is sick  
Attention, it's time to dance

Work it like you're workin' a pole  
Shake it 'til you're shakin' the floor  
Pop it like you're poppin' a cork  
(Oh)

Don't stop, don't stop  
Jerk it like you're makin' it choke  
(Like that)  
Break it like you're breakin' a code  
(Like that)

Drop it 'til you're takin' it lower  
(Like that)  
Drop it, drop it

This is serious  
I'm delirious  
(C'mon)  
So oblivious  
(Oow)

I could dance all nite with you  
As long as it funky  
(Funky, funky)  
This rhythm just makes me high  
I'm like a junkie  
I could dance all nite

Work it like you're workin' a pole  
Shake it 'til you're shakin' the floor  
Pop it like you're poppin' a cork  
(Ohhh)

Don't stop, don't stop  
Jerk it like you're makin' it choke  
(Like that)  
Break it like you're breakin' a code  
(Like that)

Drop it 'til you're takin' it lower  
(Like that)  
I could dance all nite

Oh  
(Like that)  
(Like that)  
Don't stop, don't stop

So intoxicated, I'm so stimulated  
Feel so X-rated, I could dance all nite  
As long as it's funky  
(Funky, funky)  
This rhythm just makes me high  
I'm like a junkie, I could dance all nite

Work it like you're workin' a pole  
Shake it 'til you're shakin' the floor  
Pop it like you're poppin' a cork  
(Oh)

Don't stop, don't stop  
Jerk it like you're makin' it choke  
(Like that)  
Break it like you're breakin' a code  
(Like that)

Drop it 'til you're takin' it lower  
(Like that)  
I could dance all nite

Everybody on the floor  
(Let's go)  
Let's get hardcore  
(Get low)

Make my sweat pour  
(Oh no)  
Don't stop  
(Gimmee some more)

Ooh my body's yours  
(Spank that)  
Spank that back door  
(Like that)

Drive me like a Porsche  
(Ooh yeah)  
I could dance all nite  
Can we take this party higher  
(C'mon, yeah)

Now just put your hands to the sky and  
Clap it up, clap it up  
Don't stop, don't stop  
I could dance all nite

Work it like you're workin' a pole  
(Like that)  
Shake it 'til you're shakin' the floor  
(Like that)  
Pop it like you're poppin' a cork  
(Ohhh)

Don't stop, don't stop  
Jerk it like you're makin' it choke  
(Like that)  
Break it like you're breakin' a code  
(Like that)

Drop it 'til you're takin' it lower  
(Like that)  
I could dance all nite

Work it like you're workin' a pole  
(Like that)  
Shake it 'til you're shakin' the floor  
(Like that)  
Pop it like you're poppin' a cork  
(Oh)

Don't stop, don't stop  
Jerk it like you're makin' it choke  
(Like that)  
Break it like you're breakin' a code  
(Like that)

Drop it 'til you're takin' it lower  
(Like that)  
Don't stop, don't stop
