Hold me
Kiss me
Show me
You wanna be with me
Feel me, taste me
And baby I'll let you have me

When you do convince me
Can't turn my back, I'll be your best
You know that good things don't come easy

(Hold me)
So are you ready?
(Kiss me)
To journey
(Show me)
Within me
(Feel me)
I'll satisfy you

(Taste me)
I will do anything
(Have me)
You ask me to
(Ask me)
Anything
(With me)
Anything

When you do convince me
Can't turn my back, I'll be your best
You know that good things don't come easy

(Hold me)
So are you ready?
(Kiss me)
To journey
(Show me)
Within me
(Feel me)
I'll satisfy you

(Taste me)
I will do anything
(Have me)
You ask me to
(Ask me)
Anything
(With me)
Anything

(Hold me)
So are you ready?
(Kiss me)
To journey
(Show me)
Within me
(Feel me)
I'll satisfy you

(Taste me)
I will do anything
(Have me)
You ask me to
(Ask me)
Anything
(With me)
Anything for you

When you do convince me
Can't turn my back, I'll be your best
You know that good things, good things don't come
easy
(Good things don't come easy)

(Hold me)
So are you ready?
(Kiss me)
To journey
(Show me)
Within me
(Feel me)
I'll satisfy you

(Taste me)
I will do anything
(Have me)
You ask me to
(Ask me)
Anything
(With me)
Anything
(Hold me)

So are you ready
(Kiss me)
I will do anything
(Show me)
For you
