I don't know if I ever felt like this before
But I'm sure that the way I feel I don't want it to go
'Cause I cried my share of tears and I sang my share of
blues
But to keep you over here I'll do what I got to do

So baby call on me, whether day or night I'll never
leave
See you don't have to be alone I'll come anywhere you
want
Baby, just pick up the phone and call on me
You ain't know, I wanna be your only love affair
See there it go, see there it go mama

See I, I never met a girl that could break me down
It's like I get caught in the middle
I get caught up a little anytime she's around
I be posted, waitin' on stand-by, lookin' to catch that
hint
I doin' whatever whenever, never forgot I said
I'd be here when you want to get what you need
If you wanna receive, then oh please believe you can

Call on me, whether day or night I'll never leave
See you don't have to be alone, I'll come anywhere you
want
Baby, just pick up the phone and call on me
You ain't know, I wanna be your only love affair
See there it go, see there it go mama

Call on me, when you need someone who cares
Say the words and I'll be there, I can meet you
anywhere
Call on me, anytime that you please
Babe, whatever you want, babe, whatever you need
Because you're the one I love baby

Just call on me, whether day or night I'll never leave
See you don't have to be alone, I'll come anywhere you
want
Baby, just pick up the phone and call on me
You ain't know, I wanna be your only love affair

See there it go, see there it go mama

It don't matter where you go I'll come anywhere you
want me to

And it don't matter near or far it's like anything you say
I'll do

And it don't matter where you go I'll come anywhere
you want me to

And it don't matter near or far it's like anything you say
I'll do
