Open my eyes first thing I see  
Your lovely smile smiling at me  
Kiss my forehead up out of bed  
Off to start your day, here in bed I stay

Thinking 'bout last night playing in my mind  
When you touch me there  
Ooh, it feels so right

[Incomprehensible]  
What am I doing?  
Get up out of bed  
To myself thinking

This can't b good  
(This can't b good)  
This can't b good  
(This can't b good)  
This can't b, oh

This can't b good  
(This can't b good)  
This can't b good  
(This can't b good)  
This can't b, oh  
This can't b good

What's going on? What's happening to me?  
Promised myself that I would never let this be  
Never again, never that way  
Cut me so deep that I haven't been the same

Way I feel right now, I felt before  
When I hear your name and my feelings are flooded  
I fight it if I can but I don't know if I should  
The one thing I know  
This can't b good, babe

This can't b good  
(This can't b good)  
This can't b good  
(This can't b good)

This can't b, oh

This can't b good  
(This can't b good)  
This can't b good  
(This can't b good)  
This can't b good  
This can't b

Oh, I think I'm falling in love again  
(Oh no)  
Told myself I never would  
(Told myself I never would)  
Oh, I think I'm falling in love again  
This cannot b good  
(This cannot b good)

This can't b good  
(This can't b good)  
This can't b good  
(This can't b good)  
This can't b, oh

This can't b good  
(This can't b good)  
This can't b good  
(This can't b good)  
This can't b, oh

This can't b good  
(This can't b good)  
This can't b good  
(This can't b good)  
This can't b, oh

This can't b good  
(This can't b good)  
This can't b good  
(This can't b good)  
This can't b, oh

This can't b good  
This can't b good  
This can't b good  
This can't b good
