How can I get you to notice that I want you

My heart's on fire with desire 'cause I love you

There's no time for waiting, begging, I would tell you

So there's no doubt, I'll spell it, come give it to me

Give it

Chorus:

Come give your love to me

Come give your love to me

Come give your love to me

Come give your love to me

You've turned the spark of my love into a raging flame

And now I need to convince you to feel the same

So don't you stay over there talkin' 'bout the way I feel

'cause, baby, talk is cheap, actions speaks louder than words

Repeat chorus

Hey baby love, just don't make me wait

For you, I'm so weak

You know I'll do anything it takes, so I beg you please
