Yeah  
(Could this, could this)  
Could it be?  
(Could this, could this)  
Could it be? - Yeah, listen...

Do you think there's something funny about this  
scenario?  
We ain't spent a minute apart since the day we said  
hello  
I adore your conversation and your vibe's so sensual  
Are you feeling my connection, I just wanna know

Could this be love?  
(Can't getcha out of my mind)  
Could this be love?  
(Your touch, it gives me butterflies)  
Could this be love?  
(Should it be? Could it be? Help me solve this mystery)  
Could this be love?  
(Could this be love?)

Got me holding on for dear life, think it off - I knew I'd  
lose  
Cause I'm feeling so light headed from the freaky shit  
you do  
Has to be an explanation what is good? But I'm  
confused  
Fantasy or reality, no I don't have a clue

Could this be love?  
(Can't getcha out of my mind)  
Could this be love?  
(Your touch, it gives me butterflies)  
Could this be love?  
(Should it be? Could it be? Help me solve this mystery)  
Could this be love?  
(Could this be love?)

Could this be love?  
(Can't getcha out of my mind)

Could this be love?  
(Your touch, it gives me butterflies)  
Could this be love?  
(Should it be? Could it be? Help me solve this mystery)  
Could this be love?  
(Could this be love?)

(Boy you got me thinkin' 'bout my love with you-puh)  
(Still I'm wondering if you're feeling it to)  
(Boy you got me thinkin' 'bout my love with you-puh)  
(Still I'm wondering if you're feeling it to)  
(Boy you got me thinkin' 'bout my love with you-puh)  
(Still I'm wondering if you're feeling it?)  
(My heart just skips a beat whenever I'm with you)

Could this be love?  
(Can't getcha out of my mind)  
Could this be love?  
(Your touch, it gives me butterflies)  
Could this be love?  
(Should it be? Could it be? Help me solve this mystery)  
Could this be love?  
(Could this be love?)

Could this be love?  
(Can't getcha out of my mind)  
Oh, Could this be love?  
(Your touch, it gives me butterflies)  
Wanna know - could this be love?  
(Should it be?)  
Yeah  
(Could it be?)  
Yeah  
(Help me solve this mystery)  
Sure, it feels good  
(Could this be love?)  
Love

(Boy you got me thinkin' 'bout my love with you-puh)  
(Still I'm wondering if you're feeling it to)  
(Boy you got me thinkin' 'bout my love with you-puh)  
(Still I'm wondering if you're feeling it to)  
(Boy you got me thinkin' 'bout my love with you-puh)  
(Still I'm wondering if you're feeling it?)  
(My heart just skips a beat whenever I'm with you)

When you look at me, do you want me- just for what  
you see?  
Do you think I'm that person that you watch on TV?  
There's another side that I don't hide, but may never  
show.
