Damita Jo

Sexy, quiet, shy
But down for a good time
Taurus, my sign
Like rain but love the sunshine
Makin' headlines
Feel I'm too deep to define
Simple inside
But I'm livin' the diva life

The Damita Jo
Do you like me?
Do you want me
Just for what you see?
The Damita Jo
Do you think that
I'm that person
You watch on T.V.?

The Damita Jo
There's another side
That I don't hide
But might never show
The Damita Jo
If you wanna get close
Baby, you can't
Till you get to know

A friend and a lover
A sista, a freak undercover
I do movies, I do dance, I do music
I love doin' my man
I wanna nasty boy to put it on me good
Ms Janet don't, but Damita show do
A little lady, a whole lotta class

But do me wrong, I'll get in that ass

The Damita Jo
Do you like me
Do you want me

Just for what you see?
The Damita Jo
Do you think that
I'm that person
You watch on T.V.

The Damita Jo
There's another side
That I don't hide
But might never show
The Damita Jo
If you wanna get close
Baby, you can't
Till you get to know

The Damita Jo
Do you like me?
Do you want me
Just for what you see?
The Damita Jo
Do you think that
I'm that person
You watch on T. V.?

The Damita Jo
There's another side
That I don't hide
But might never show
The Damita Jo
If you wanna get close
Baby, you can't
Till' you get to know

Ooh, I'm a tell your daddy
I'm a tell your mama
Yeah, girl

Sometimes you just wanna play
Sometimes you just wanna play
