"Days Go By"

I'm laying here, wondering
When I'm gonna be
Wrapped up in your arms, again
It's almost like eternity
Cause seconds feel like hours when you're gone, from
me

Baby even though
You were just by my side
I'm so missin' you (yeah, yeah)
And I know that I have ya to myself
When you come home

[Chorus:]

And it seems like days go by
It feels like I'm so lost without you
And I don't really know what to do
The hands of time
Won't move when I'm away from you
And I don't really know what to do

I try to wait patiently
But everything is taking way too long
And I, I just wanna be with you
I'm trying to see it through
It's not fair
Don't wanna be alone another day
It's just too miserable
It's true
And baby I have fluttered
When you're far away
Time stands still

[Chorus:]

And it seems like days go by
It feels like I'm so lost without you
And I don't really know what to do
The hands of time
Won't move when I'm away from you
And I don't really know what to do

And it seems like days go by
It feels like I'm so lost without you
And I don't really know what to do
The hands of time
Won't move when I'm away from you
And I don't really know what to do

[Musical break and vocalizing]

[Chorus:]

And it seems like days go by
It feels like I'm so lost without you
And I don't really know what to do
The hands of time
Won't move when I'm away from you
And I don't really know what to do

And it seems like days go by
It feels like I'm so lost without you
And I don't really know what to do
The hands of time
Won't move when I'm away from you
And I don't really know what to do
