I'm afraid, I'm starting to feel
What I said I would not do
The last time really hurt me
I'm scared to fall in love

Afraid to love so fast
'Cause everytime I fall in love
It seems to never last

But every time your love is near
And every time I'm filled with fear
'Cause every time I see your face
My heart does begin to race everytime

One half wants me to go
One half wants me to stay
I just get so all confused
I'm scared to fall in love

Afraid to love so fast
'Cause every time I fall in love
It seems to never last

But every time your love is near
And every time I'm filled with fear
'Cause every time

My heart does begin to race everytime

I'm scared to fall in love
Afraid to love so fast
'Cause everytime I fall in love
It seems to never last

But every time your love is near
And every time I'm filled with fear
'Cause every time I see your face
My heart does begin to race everytime

It's everytime
It's everytime

'Cause everytime your love is near
And every time I'm filled with fear
'Cause every time I see your face
Could it be that this will be the one that lasts?

The fear does start to erase everytime
Oh could it be that this will be the one that lasts
For all my times, oh yeah, for all my times
