Yea

Feel so good

(At yours [inaudible])

And I thank God

For you

Oh how can it be true?

God's gift me and you

(Yea)

No I won't take it for granted

My love for you is strong

With this can't go wrong

And I can't believe this feelin'

I don't know

(Yea)

So confused

(Yea)

What to do? How 'bout you?

Please don't pull away from me

I don't know

(Yea)

So confused

What to do?

Feelin' you

And in the end you ask me

(Aah)

Feels so right lovin' you

(Aah)

Feels so right touchin' you

Touch think wish love

Accept this love

(Yea)

Accepting you as you are

Believe in this love

(Believe in love)

And we will rise above

(Believe)

Thick and thin till the end yea

I don't know
(Yea)
So confused
(Oh)
What to do? How 'bout you?

Please don't pull away from me
I don't know so confused
What to do? Feelin' you
And in the end you ask me
