Funny how time flies
When you're having fun
Funny how time flies
When you're having fun

I don't know where it all went
Time passed us by
Just when it seemed the fun began

Funny how time flies
When you're having fun
Funny how time flies
When you're having fun

But time never ends
Let's find the time
To get together once again
Someday soon

Funny how time flies
When you're having fun
Funny how time flies
When you're having fun

Don't you ever leave?
(Funny how time flies
When you're having fun)

Don't you ever go?
(Funny how time flies
When you're having fun)

Say you'll love me so
(Funny how time flies
When you're having fun)

Funny how time flies
When you're having fun
Funny how time flies
When you're having fun

Funny how time flies
When you're having fun
Funny how time flies
When you're having fun

I really don't know where all the time went
I really have to go
Stop, stop
Oh, I really have to go
Oh, I really have to go
