Janet:  
Kilko, is that you?

Kilko:  
Yes

Janet:  
That's you  
Come in

Kilko:  
Good morning, miss Janet  
How are you feeling today?

Janet:  
I feel so much better now  
Thank you, Kilko

Kilko:  
Do you want to talk about it, miss Janet?

Janet:  
No, this time I'd move on to bigger and better things

Kilko:  
I can tell you feel like you're still missing

Janet:  
No, I mean.. uumm  
I don't know  
It was incredible while it lasted  
but I know that I can just do so much better
