Don't it always seem to go

That you don't know what youve got till its

Don't it always seem to go

That you don't know what youve got till its

Don't it always seem to go

That you don't know what youve got till its

That you don't know what youve got till it's gone
Have a feelin

Now believin

That you were the one

I was meant to be with

Oh, how Im wishin

Thinkin dreamin

Bout you

And the love

Howd I ever let you get away
Got till it's gone

Got till it's gone
Don't it always seem to go

That you don't know what youve got till it's (gone)

Don't it always seem to go

That you don't know what youve got till it's (gone)

Don't it always seem to go

That you don't know what youve got till its

That you don't know what youve got till it's gone
If I could turn back

The hands of time

Make you fall in love

In love with me again

So would you give me

Another chance to love

To love you

Love you the right way

No games
Got till it's gone

Got till it's gone
Don't it always seem to go

That you don't know what youve got till it's (gone)

Don't it always seem to go

That you don't know what youve got till it's (gone)

Don't it always seem to go

That you don't know what youve got till its

Let me just fuck with it for a minute

That you don't know what youve got till it's gone
Now you realizing when the nights go long, right

Campaign for me to stay

When you know that Im gone, right

You act all wild

When I tell you to settle

I was working round the clock

But your girls want me to meddle

Talkin about, I heard he swims with this chick on the beach

That was out with the tide but my love you impeached

Now you lookin at the walls

Head in hand

Cold jonezin

Ringin my house

Hang up and posing
Now why you wanna go and do that?

Love huh

And why you wanna go and do that?

And do that? huh

Now why you wanna go and do that?

Love huh

And why you wanna go and do that?

And do that? huh

Now why you wanna go and do that?

Love huh

And why you wanna go and do that?

And do that? huh

Now why you wanna go and do that?

Love huh

And why you wanna go and do that?

And do that?
Don't it always seem to go

That you don't know what youve got till it's (gone)

Don't it always seem to go

That you don't know what youve got till it's (gone)

Don't it always seem to go

That you don't know what youve got till it's (gone)

That you don't know what youve got till it's gone
