Cha  
No no  
No no no no no  
Ooh baby

I've got his picture  
It's on my dresser  
Right next to my bed  
He doesn't know me  
But I sure know him  
I can't get him out of my head, no

(Talk to him)  
No no  
I haven't even tried

He doesn't even know that I'm alive, no  
He doesn't even know that I'm alive

I got his number  
I call him up, hehe  
Just to hear him say "Hello"  
And when he answers  
I always hang up  
Ooh, that boy scares me so, woah

(Talk to him)  
No no I haven't even tried

He doesn't even know that I'm alive  
(He doesn't know that I'm alive)  
He doesn't even know that I'm alive  
No-oh  
No no no no  
Oohhh yeah  
No no yeah

Someday I'll find the nerve

To talk to him and stop acting so preserved  
I told myself "Girl you gotta change"  
'Cause nothing ventured is nothing gained

No-oh woah

Late last evening  
I dropped on by  
Just to see if he was home  
And when he opened the door  
I could have died  
There we were all alone  
(Talk to him)  
I said "Excuse me I thought my friend lived here"

Well he doesn't even know that I'm alive  
(He doesn't know that I'm alive)  
He doesn't even know that I'm alive  
He doesn't even know that I'm alive  
(He doesn't know that I'm alive)  
He doesn't even know  
(He doesn't know)  
Ooh  
I'm alive

No no, no no  
No  
No no, no no  
Ah!  
No no, no no  
Ooh ooh yeah, no woah  
La la la la la la la lah
