## Verse 1

We should listen more  
Are you sure we done  
It don't seem like the end for us  
That when I know  
I should respect you more  
I should did all the thing, I didn't do to you  
I just want you we should talk litte more,  
but I wasn't ready want I to hear  
I wish we could did something to make this change  
I wish had more of you  
We wouldn't be sitting alone  
I wish there more of you

## Chorus

Wish we could done something  
Wish had more of you there more of me  
Wish we make wish  
Star up above I dream of you like you knew  
Wish the good in you  
There a problem baby we could fix it  
I wish there more of you more of me you want x10

(Chorus)

## Verse 2

Wish we could figure and stop arguement  
Isn't good for the both of us  
(You wish there more of me)  
Wish had more of you  
I'm lmdiaded by you  
You talk about me

(Chorus)

## Chorus 2

Wish we could done something not to break up  
Wish had more of you  
Wish we make a wish  
Star above like I dream of you  
Like you knew

Wish the good in you  
To make you see I'm the need you  
There a problem baby we could fix it  
I wish there more of you there more of me you want  
x10

(Chorus)

Verse 3

We should listen more talk little more  
Are you sure we done (not I want you)  
I don't seem like the end for us that when I know  
I should respect you more  
I should did all thing, I do to you  
I just want you we should talk little more  
But I wasn't ready want I to hear  
I wish we did something to make this change  
I wish had more of you  
We wouldn't be sitting alone  
I wish there more of you more of me you want

(Chorus2) x10
