I've got my eyes on you

You're playin' with peek-a-boo

And it's so exciting

There's such a chemistry between you and me

So there's no use fighting

Don't say, it's so good

Just give your heart away

cause I'll find the words to say...

Chorus:

If it takes all night

If it takes all night, honey

Gonna make you mine

If it takes all night

Gotta find a way

To get inside your heart tonight

I'll make the lovin' right

If it takes all night

I hear what people say

Love's just a game you play

For the competition

Even some friends of mine

Say that I'm wastin' time

But my heart wont listen

I know they want you too

They say I wont get through

But it will be me and you

Repeat chorus

I know my lover when I see him in disguise

And I wont give up til I see that fire in your eyes

Repeat chorus
