Sittin' over here, starin' in your face  
With lust in my eyes, sure don't give a damn  
And ya don't know that I've been dreamin'  
Of ya in my fantasy

Never once you looked at me  
Don't even realize that I'm wantin' you to fulfill my  
needs  
Think what you want, let your mind free  
Run free to a place no one dares to

How many nights I've laid in bed  
Excited over you  
I've closed my eyes and thought of us  
A hundred different ways

I've gotten there so many times  
I wonder how 'bout you  
Day and night, night and day  
All I've got to say is

If I was your girl, oh, the things I'd do to you  
I'd make you call out my name, I'd ask who it belongs  
to  
If I was your woman, the things I'd do to you  
But I'm not, so I can't, then I won't, but if I was your girl

Allow me some time to play with your mind  
And you'll get there again and again  
Close your eyes and imagine my body undressed  
Take your time 'cause we've got all night, ooh

You on the rise as you're touchin' my thighs  
And let me know what you like, if you like I'll go  
Down, down, down, down, da, down, down  
I'll hold you in my hand and maybe

Your smooth and shiny feels so good  
Against my lips, sugar  
I want you so bad  
I can taste your love right now, baby

Day and night, night and day  
All I've got to say is

If I was your girl, oh, the things I'd do to you  
I'd make you call out my name, I'd ask who it belongs  
to  
If I was your woman, the things I'd do to you  
But I'm not, so I can't, then I won't, but if I was your girl

If I was your girl, oh, the things I'd do to you  
I'd make you call out my name, I'd ask who it belongs  
to  
If I was your woman, the things I'd do to you  
But I'm not, so I can't, then I won't, but if I was your girl

I've laid in bed excited over you  
One hundred different ways  
I've thought of many, many  
All I want to say is

If I was your girl, oh, the things I'd do to you  
I'd make you call out my name, I'd ask who it belongs  
to  
If I was your woman, the things I'd do to you  
But I'm not, so I can't, then I won't, but if I was your girl

If I was your girl, oh, the things I'd do to you  
I'd make you call out my name, I'd ask who it belongs  
to  
If I was your woman, the things I'd do to you  
But I'm not, so I can't, then I won't, but if I was your girl

If I was your girl, oh, the things I'd do to you  
I'd make you call out my name, I'd ask who it belongs  
to  
If I was your woman, the things I'd do to you  
But I'm not
