I've been down this road before
I know it very well
And I just can't believe
I've been struck

I didn't see it
(Comin')
I was
(Blindfolded)
I'm caught up in
(Collision)
And now I'm so done

You crept up like a spider
I got caught in your web
There was no way to escape
I tried to switch
(My lanes)

But then I hit
(My brakes)
Sparks turned into
(Flames)
I shoulda stopped
At the red light 'cause

Now I'm like a deer
Caught in headlights
Ugh, he hit me with his luv
Luv, luv, luv, luv

He hit me with his
(Luv)
And now I'm in luv
Luv, luv, luv

Got me caught in a wreck
I'm a mess
Got me caught in a wreck
I'm a mess

Got me caught in a wreck

Somebody call the paramedics
(Luv)
He hit me with his luv
Luv, luv, luv

I was creepin' up the road
Just knew I had control
So how did I end up gettin' hit?
I had on my
(Belt)

I checked it
(Myself)
So how in the
(World)
Did I get caught?

I had the right of way
I saw the sign you disobeyed
(It was your fault)
I can't believe the way

You wrecked into my heart
I think I should sue ya
I shoulda stopped
At the red light 'cause

Now I'm like a deer
Caught in headlights
Ugh, he hit me with his luv
Luv, luv, luv, luv

He hit me with his
(Luv)
And now I'm in luv
Luv, luv, luv

Got me caught in a wreck
I'm a mess
Got me caught in a wreck
I'm a mess

Got me caught in a wreck
Somebody call the paramedics
(Luv)
He hit me with his luv
Luv, luv, luv

You caught me by surprise
I can't believe
That I'm falling for this guy

Somebody call the cops
'Cause I'm falling for that guy

You caught me by surprise
I can't believe
That I'm falling for this guy

Somebody call the cops
'Cause I'm falling for that guy
I shoulda stopped
At the red light 'cause

Now I'm like a deer
Caught in headlights
Ugh, he hit me with his luv
Luv, luv, luv, luv

He hit me with his
(Luv)
And now I'm in luv
Luv, luv, luv

Got me caught in a wreck
I'm a mess
Got me caught in a wreck
I'm a mess

Got me caught in a wreck
Somebody call the paramedics
(Luv)
He hit me with his luv

He crashed into my heart
He crashed into my heart
Somebody call the paramedics
(Luv)
He hit me with his luv

He crashed into my heart
He crashed into my heart
Somebody call the paramedics
(Luv)
He hit me with his luv
Luv, luv, luv, luv
