Shot like an arrow through my heart  
That's the pain I feel  
I feel whenever we're apart  
Not to say that I'm in love with you  
But who's to say that I'm not

I just know that it feels wrong  
When I'm away too long  
You make my body hot  
So let me tell you, baby

I'll tell your mama  
I'll tell your friends  
I'll tell anyone  
Whose heart can comprehend

Send it in a letter, baby  
Tell you on the phone  
I'm not the kind of girl  
Who likes to be alone

I miss you much  
(Boy, oh, I miss you much)  
I really miss you much  
(M I S S you much)

I miss you much, baby  
(Boy, oh, I miss you much)  
I really miss you much  
(M I S S you much)

I'm rushing home  
Just as soon as I can  
I'm rushing home to see  
Your smiling face  
And feel your warm embrace  
It makes feel so g-g-good

So I'll tell you, baby  
I'll tell your mama  
I'll tell your friends  
I'll tell anyone

Whose heart can comprehend

Send it in a letter, baby  
Tell you on the phone  
I'm not the kind of girl  
Who likes to be alone

I miss you much  
(Boy, oh, I miss you much)  
I really miss you much  
(M I S S you much)

I miss you much, baby  
(Boy, oh, I miss you much)  
I really miss you much  
(M I S S you much)

I miss you much  
(Boy, oh, I miss you much)  
I really miss you much  
I really miss you much  
(M I S S you much)

I miss you much, baby  
(Boy, oh, I miss you much)  
I really miss you much  
(M I S S you much)

(Miss you much)  
I miss you much  
I really, really miss you

(Miss you much)  
I miss you much  
I'm not ashamed  
To tell the world I miss you

I'll tell your mama  
I'll tell your friends  
I'll tell anyone  
Whose heart can comprehend

Send it in a letter, baby  
Tell you on the phone  
I'm not the kind of girl  
Who likes to be alone

I miss you much  
(Boy, oh, I miss you much)  
I really miss you much  
(M I S S you much)

I miss you much, baby  
(Boy, oh, I miss you much)  
I really miss you much  
(M I S S you much)

I miss you much  
(Boy, oh, I miss you much)  
I really miss you much  
(M I S S you much)

I miss you much, baby  
(Boy, oh, I miss you much)  
I really miss you much  
(M I S S you much)

That's the end?
