A funny thing bout luv we choose
It ain't perfect but we do the best we can
Do U understand
And I luv U more than words can say
Here's to knowin that you'll stay with me
Through the complications
Baby what I'm sayin

I don't wanna give up on our fate
And I don't wanna think that it's too late
So if something is broke
Let me go and fix it
And if something is lost
Let me go and get it
Cause I don't wanna stand when all is done
And I'll b next to U cause Ur the one
I said it twice
And I'ma say once more Ur the one I want
I'm never gonna lechu go

There are times
When I don't get around to say what I feel like sayin
Nooo
There are times
When it gets so hard I feel like I can't take it
U make me want U
And fight U
Luv U
And despise U
Still when it feels like I ain't got nothin left
I remind myself that

I don't wanna give up on our fate no

And I don't wanna think that it's too late
So if something is broke
Let me go and fix it
And if something is lost
Let me go and get it
Cause I don't wanna stand when it's all done
And I'll b next to U cause Ur the one
I said twice

I'ma say once more Ur the one I want
I'm never gonna lechu go
Whao whaowhaowhaowhaowhao
I'm never gonna lechu go
Whao whaowhaowhaowhaowhao
Still when it feels like I got nothin left
I remind myself that I don't wanna give up on our fate
And I don't wanna think that it's too late
So if somethings broke
Let me go and fix it
And if something is lost
Let me go and get it
Cause I don't wanna stand when all is done
And I'll b next to U cause Ur the one
I said twice
And I'ma say once more Ur the one I want
I'm never gonna lechu go

Whao whaowhao ahh ahh
I'm never gonna lechu go
whao whaowhaowhao ahh ahh
