Vb1

Please can we move on  
Lord let this one be the last one  
I didnt need complicated in my life  
So don't make this about him  
Lord let this one be the last one for me  
So I can move on

V1

I know you were happy when you talking  
But it doesn't seem like anymore, cause the chemistry  
is gone  
From us, from me, from you only you baby what I think  
what you done for me  
I get so excited deep in my heart so I know how to  
come down  
Please can we move from here so what you think about  
it ?

Vb2

Please don't this about him  
Lord let this one be the last one for me  
I swear I do anything for him  
I didn't need complicated in my life  
So don't make this one about him (what he serve up  
look so good to me)  
Lord let this one be last one (for me)  
So I can move on

Please don't make this one about him x6

V2

Nobody can take your place you belong with me  
I know what they talk about is you and me together  
baby? B.a.b.y.  
So we can move on from me  
Please let this one be the last one for me  
I swear appreciate his love  
Please don't makeb this one about him x6
