With music by our side  
To break the color lines  
Let's work together  
To improve our way of life

Join voices in protest  
To social injustice  
A generation full of courage  
Come forth with me

People of the world today  
Are we looking for a better way of life?  
We are a part of the rhythm nation

People of the world unite strength in numbers  
We can get it right one time  
We are a part of the rhythm nation

This is the test  
No struggle no progress  
Lend a hand to help  
Your brother do his best

Things are getting worse  
We have to make them better  
It's time to give a damn  
Let's work together, come on now

People of the world today  
Are we looking for a better way of life?  
We are a part of the rhythm nation

People of the world unite strength in numbers  
We can get it right one time  
We are a part of the rhythm nation

People of the world today  
Are we looking for a better way of life?  
We are a part of the rhythm nation

People of the world unite strength in numbers  
We can get it right one time

We are a part of the rhythm nation

Rhythm nation

(Sing it people, say it different)

(Sing it if you want a better way of life)

Rhythm nation

(Sing it people, say it different)

(Sing it if you want a better way of life)

Everybody sing

People of the world today

Are we looking for a better way of life?

We are a part of the rhythm nation

People of the world unite strength in numbers

We can get it right one time

We are a part of the rhythm nation

People of the world, today

Are we looking for a better way of life?

We are a part of the rhythm nation

People of the world unite strength in numbers

We can get it right one time

We are a part of the rhythm nation

Rhythm nation, rhythm nation

Rhythm nation, rhythm nation

Rhythm nation, rhythm nation

Rhythm nation
