(I want to rock with you)
I want to rock with you
Just once
(I want to rock with you)
Come on

Ooh, ooh, ooh, ooh, ooh [3x]

(I want to rock with you)

Strobe lights
Make everything sexy yeah
(Sexy, yeah)
Shadows dancing on the wall
I wanna rock with you
Let's converse
Talk with your body
Don't say anything at all
(I want to rock with you)

Rock with you
Wanna rock with you
(I want to rock with you)

Wanna rock with you
Wanna rock with you
(I want to rock with you)

Wanna rock with you

Ooh, ooh, ooh, ooh, ooh [4x]

Strobe lights
Make everything sexy yeah
Shadows dancing on the wall
(Do you see me?)
I wanna rock with you
Let's converse

Talk with your body
Don't say anything at all
(I want to rock with you)

Shhh
I want to rock with you
Rock with you
Wanna rock with you
(I want to rock with you)

Wanna rock with you
Wanna rock with you
(I want to rock with you)

Rock with you

Oooh, ooh, ooh, ooh, ooh [5x]
(Wanna rock with you) [5x]

Rock with you
Wanna rock with you
Wanna rock with you
I want to rock with you
Wanna rock with you

Strobe lights
Make everything sexy yeah
(So sexy)
Shadows dancing on the wall
Our bodies as one

Ooooh
I wanna rock with you
Let's converse
Talk with your body
Don't say anything at all
I want to rock with you
