Breathe

You get me so
Get me so excited

I'm hot, come on, so get it ready
And I'll open my spot for you
Anytime you want me to
So you can
Act bad
Don't hurt me
Look sexy
Talk dirty
And i'll open my spot for you
Anytime you want me to
Get me so excited

For some reason it might be the money that really turns
you on
But for me it's an attitude that keeps me tight on the
floor
And no words are suitable to describe your swagger
babe
And my body is in overdrive when I have you inside of
me

Do you like it when i do it
I go head to toe
And whenever you pursue it
You'll never hear the word no
So forget about them other girls baby
Cause now you're rollin with a woman baby
I'ma keep your body thumpin baby
It's the least I can do
Cause you get me so excited

I'm hot, come on, so get it ready
And i'll open my spot for you
Anytime that you want me to
So you can
Act bad
Don't hurt me

Look sexy
Talk dirty,
And I'll open my spot for you
Anytime you want me to
Get me so excited

So amused by mind control that I wanna get two steps
up
As for me I'm a let you know that my body's smoking
hot
Throw me up against whatever's close and get to
bossin me around
And everytime i give you the assist you know how to
slam it down

Do you like it when i do it
I go head to toe
And whenever you pursue it
You'll never hear the word no
So forget about them other girls baby
Cause now you're rollin with a woman baby
I'ma keep your body thumpin baby
It's the least I can do
Cause you get me so excited

I'm hot, come on, so get it ready
And i'll open my spot for you
Anytime that you want me to
So you can
Act bad
Don't hurt me
Look sexy
Talk dirty,
And I'll open my spot for you
Anytime you want me to
Get me so excited

Is ya is ya is ya hungry,
I gotcha
I gotcha
I gotcha licking on my
Licking on my
Licking on my body body like it's something to eat
So you can
Act bad
Don't hurt me
Look sexy
Talk dirty
Get me so excited

I'm hot, come on, so get it ready

And i'll open my spot for you
Anytime that you want me to
So you can
Act bad
Don't hurt me
Look sexy
Talk dirty,
And I'll open my spot for you
Anytime you want me to
Get me so excited
