Spend time with him, with my baby, like he don't love  
me no more x4

Chorus

We be touching body all nite long  
I see in his eyes he much he wanted  
Vacation at my spot he like what I do  
He say baby when it gonna to be my turn  
I said just little while he can't wait  
Til I say so  
We be touching body all nite long  
He like spent time... with my baby

{Verse1}

I give enough time so he realize  
What I was doing  
Though we can't be together I always have time for him  
Like spent time.....for him  
He like to vancant to favorite spot  
We can be together  
He say baby when it gonna to be my turn  
I sais just littlw while he can't wait  
Til I say so  
We be touching body all nite long  
He like spent time... with my baby

Chorus 2

We be touching body all nite long  
I see in his eyes how much he wanted  
Vacation at my spot he like what I do  
He say baby when it gonna to be my turn  
I said just little while he can't wait  
Til I say so  
We be touching body all nite long  
He like spent time... with my baby

(Chorus)

Verse2

It seem day turn into night  
Come from the studio from hard day of work

Now he know  
What I want to do with him  
It doesn't matter  
I like spent time.... with my baby  
Like no time  
Like spent time with my baby  
He know what I like  
No time

Pre chorus  
I give enough time so he realize  
What I was doing  
Though we can't be together I always have time for him  
Like spent time .....for him  
He like to vancant to his favorite spot  
We can be together  
He say  
Like spent time.... with my baby  
(we be touching body all nite long)  
That what I like spent time... with my baby

Chorus 3  
We be touching body all nite long  
I see in his eyes how much he wanted  
Vacation at my spot he like what I do  
He say baby when it gonna to be my turn  
I said just little while he can't wait  
Til I say so  
We be touching body all nite long  
He like spent time....with my baby

(Chorus) x4

(Pre chorus) x4

See how he eyed me x5
