I've been so alone

Ain't no fun since you've been gone cryin' on the phone

You're the one

I got to fly to you

I got to get to you somehow

Our love is tried and true

I'm a believer now

I'm still high on you

Now we're through the hardest part

Open your heart, and let's start anew

Let your angel baby bring you a dream

I can't wait now, baby, to spread these wings

(it's only you that can)

Make my grey skies electric blue

Kiss these bad times goodbye and let's start anew

Why'd I let you go say "so long"?

Thought I was strong (yes I thought I was strong, baby)

Baby now I know, I was wrong. I want to fly to you

Make it up to you somehow

Reach for the sky with you

And never come back down

I'm still high on you

Now we're through the hardest part

Open your heart, and let's start anew
