(feat. Missy Elliott)

[Missy Elliott:]

Tell me how long is it boo?
Seven inches
Yup that'll do (C'mon)
Want another lover
Not another lover (lover)
Cause you the type of brother
I get freaky undercover (yeah)
Let me be the one for ya playa
Let's see what's behind
Them Gucci underwears
What I gotta do baby
What I gotta say? (Say)
To the bedroom
Okay, kay, kay (okay)

[Janet:]

Tell me what I gotta say?
Tell me what I gotta do?
Cuz I'm about to make a move
Cuz baby I just want to be the one
Tell me how you want it babe
Maybe we could spend the day there
Let me know what's the place
Baby I just want to be the one

I don't need another
I could spend my life
Being your lover
Think about it take some time
Put your eyes together
We can make this thing right
Cuz I don't want no other
I just wanna be the one

Really wanna uh
Really wanna uh uh
Really wanna uh
Really wanna uh uh
Really wanna uh

Really wanna uh
[2x:]
Baby I just wanna be
The one for you

Let me know
What you're missing boy
So I can be the one
There for you
Talkin' bout
Being all you want
Baby
I just wanna be the one

After you meet me stipulations
We'll have a mystic investigation
Put the list down no replacing ya
Cuz baby I just wanna be the one

I don't need another
I could spend my life
Being your lover
Think about it take some time
Put your eyes together
We can make this thing right
Cuz I don't want no other
I just wanna be the one

Really wanna uh
Really wanna uh uh
Really wanna uh
Really wanna uh uh
Really wanna uh
Really wanna uh
[2x:]
Baby I just wanna be
The one for you

[Missy Elliott:]
Baby I'll do
Any little thing for you
Tell your ex-girlfriend
I say bye boo boo (C'mon)
Chicks can't see me
I am way too smooth
But I'm like a loose goose
We can shoot dooby doo
Letcha hit the poo poo
Do what it do
Them looky got them boys
Goin'goin'cuckoo

I'm sick like the flu too
What I thought you knew
And we could have a threesome
Bring a cute friend too
Houston Ingula one fella met her
Look in the mirror check it
And your no betta
Now who could love you better
When we're together
I'll be your cinderella
You be my fella
What I gotta say
To make you say okay
I shake my booty
I shake my booty

[Janet:]

I don't need another
I could spend my life
Being your lover
Think about it take some time
Put your eyes together
We can make this thing right
Cuz I don't want no other
I just wanna be the one

Really wanna uh
Really wanna uh uh
Really wanna uh
Really wanna uh uh
Really wanna uh
Really wanna uh

[2x:]

Baby I just wanna be
The one for you

Really wanna uh
Really wanna uh uh
Really wanna uh
Really wanna uh uh
Really wanna uh
Really wanna uh

[2x:]

Baby I just wanna be
The one for you
