Saw the cover  
The finest girl that you've ever seen  
Just had to buy me  
Had to try me  
Oooh You're in love with  
The hottest girl in the magazine  
You do whatever to have me all to yourself  
I know you can't stop lookin'  
So don't try to deny it  
Baby I can see in your eyes  
You do anything if I let you inside me  
What would you do if I came to life?  
Let me tell ya

This body of mine  
This body of mine  
Boy I'm trying to warn you bout  
This body of mine  
This body of mine  
You'll go crazy when you see me see me  
Start shakin' and movin' all around  
Start shakin' and movin' all around  
Start shakin' and movin' all around  
Start shakin' and movin' all around

Now we're at your home  
Lead the way to your room  
What you're lookin' for  
Is right on page 52  
You see what you like  
Reading bout what I like  
When I'm all alone in the zone with a man  
Now would you be ready if I stepped off these pages  
And told you that that man was you  
Or would you turn out to have some great conversation  
But didn't know what to do  
Once you got a look at

This body of mine  
This body of mine  
Boy I'm trying to warn you bout  
This body of mine

This body of mine  
You'll go crazy when you see me see me  
Start shakin' and movin' all around  
Start shakin' and movin' all around

Start shakin' and movin' all around  
Start shakin' and movin' all around

*[Rap]*

Now I was walking  
Through the airport  
Stopped at the gift shop  
Saw this girl on the cover  
Actually made a \*\*\*\*\* jaw drop  
Man she was F I N E head to toe  
Six page spread  
Baddest thang I ever seen befo  
Stuck in the store dreaming  
Can't even get to the register  
Girl behind the counter  
Talking but I'm like the hell with her  
Cause I swear I deserve this girl  
Talking to the pages  
Telling me what she like  
And how she like it  
In different places  
What she eat to keep her body tight  
Definition of Mr. Right  
I fit that description to the T  
To the T  
All the s\*\*\* that she don't like  
Live for a late night  
It sound like she's talking right to me  
Especially when she said

I know you can't stop lookin' So don't try to deny it  
Baby I can see in your eyes  
You do anything if I let you inside me  
What would u do if I came to life?  
Let me tell ya

This body of mine  
This body of mine  
Boy I'm trying to warn you bout  
This body of mine  
This body of mine  
You'll go crazy when you see me see me  
Start shakin' and movin' all around  
Start shakin' and movin' all around  
Start shakin' and movin' all around  
Start shakin' and movin' all around
