"I can't believe I let this happen to me  
It always ends up NOT GOOD  
This why I know this can't be good"

-Verse-

Open my eyes first thing I see  
Your lovely smile smiling at me  
Kiss my forehead up out of bed  
Off to start your day here in bed I stay  
Thinking bout last night replaying in my mind  
When you touch me there  
Ooh ooh it feels so right  
Then intercedes  
What am I doing  
Get up out of bed  
To myself thinking

-Chorus-

This can't be good  
(This can't be good)  
This can't be good  
(This can't be good)  
This can't be good  
[ooh ooh oohh)  
This can't be good  
(This can't be good)  
This can't be good  
(This can't be good)  
This can't be good  
(ooh ooh ooh)  
This can't be good  
(ooh oooooh oooooh)

-Verse-

What's going on what's happening to me  
Promised myself I would never let this be  
Never again, never that way  
Cut me so deep that I haven't been the same  
What I feel right now, I felt before  
When I hear your name  
And my feelings are floored  
I'll fight it if i can  
But I don't know if I should

The one thing I know  
This can't be good babe

-Chorus-

This can't be good  
(This can't be good)  
This can't be good  
(This can't be good)  
This can't be good  
[oooh oooh oooh)  
This can't be good  
(This can't be good)  
This can't be good  
(This can't be good)  
This can't be good  
(oooh oooh oooh)  
This can't be ooh

-Bridge-

Oh I think I'm falling in love again (oh no)  
Told myself I never would  
I think I'm falling in love again  
This cannot be good

-Chorus-

This can't be good  
(This can't be good)  
This can't be good  
(This can't be good)  
This can't be good  
[oooh oooh oooh)  
This can't be good  
(This can't be good)  
This can't be good  
(This can't be good)  
This can't be good  
(oooh oooh oooh)  
This can't be good  
(oooh oooooh oooooh)
