There are times
When I look above and beyond
There are times
When I feel your love around me baby
I'll never forget ma' baby
(I'll never forget you)

There are times
When I look above and beyond
There are times
When I feel your love around me baby
I'll never forget ma baby

When I feel that I don't belong
Draw my strength
From the words when you said
Hey, it's about you baby
Look deeper inside you baby

Dream about us together again
When I want us together again baby
I know we'll be together again 'cause

Everywhere I go
Every smile I see
I know you are there
Smilin' back at me

Dancin' in moonlight
I know you are free
'Cuz I can see your star
Shinin' down on me

(Together again, ooh)
Good times we'll share again
(Together again, ooh)
That makes me wanna dance

(Together again, ooh)
Say it loud and proud
(Together again, ohh)
All my love's for you

Always been a true angel to me
Now above, I can't wait for you
To wrap your wings around me baby
Wrap them around me baby

Sometimes hear you whisperin'
No more pain
No worries will you ever see now baby
I'm so happy for ma baby

I dream about us together again
When I want us together again baby
I know we'll be together again 'cause

Everywhere I go
Every smile I see
I know you are there
Smilin' back at me

Dancin' in moonlight
I know you are free
'Cuz I can see your star
Shinin' down on me

(Together again, ooh)
Good times we'll share again
(Together again, ooh)
That makes me wanna dance

(Together again, ooh)
Say it loud and proud
(Together again, ohh)
All my loves for you

There are times
When I look above and beyond
There are times
When I feel you smile upon me baby
I'll never forget ma baby

What'll I give just to hold you close
As on earth
In heaven we will be together baby
Together again ma baby

Everywhere I go
Every smile I see
I know you are there
Smilin' back at me

Dancin' in moonlight
I know you are free
'Cuz I can see your star
Shinin' down on me

Everywhere I go
Every smile I see
I know you are there
Smilin' back at me

Dancin' in moonlight
I know you are free
'Cuz I can see your star
Shinin' down on me
