Somethin' in the air
Is got me feeling
Like I want it 2nite
Ohhh, ohhh
Somethin' in the air
Is got me feeling
Like I want it 2nite

Close the door
Eternal lights
Make me feel wonderful
And feel tonight
I like control
So let me right
If you're strong
Hold up boy
And forget the time

If you're curious
Don't you wanna know
Don't you wanna know
Wanna know
Justify your peek
My love can go
Somethin' in the air tonight

I dont want to be alone
I need you to keep me warm
Baby reach out, touch me
Somethin' in the air
Is got me feeling
Like I, baby 2nite
But I feel this so so real
I want you to take me there
Baby reach out, touch me
Somethin' in the air
Is got me feeling
Like I want it 2nite

My body's here
I'm soakin' wet
I wanna give you somethin'

That you won't forget
Your appetite
You're so for me
Maybe you can never at all
Just wait and see

If you're curious
Don't you wanna know
Don't you wanna know
Wanna know
Justify your peek
My love can go
Can't you feel it
Somethin' in the air tonight

I don't want to be alone
I need you to keep me warm
Baby reach out, touch me
Somethin' in the air
Is got me feeling like I
Baby 2nite
But I feel this so so real
I want you to take me there
Baby reach out, touch me
Somethin' in the air
Is got me feeling
Like I want it 2nite

Boy, you're what I want
Give it all you got
Please don't ever stop
Doin' thang to me yeah
Keep doin' thing to me, yeah
Is this what you like
Dont make sense to fight
Do it all night
Keep doin thang to me, yeah

This is what I want
We both know
That the time is so right
(Time is so right)
Boy I need, you so much
Please don't leave me alone
(Leave me alone)
Tonight

Don't leave me tonight
Don't leave me alone tonight
Don't leave me tonight
Somethin' in the air tonight

Oh, I don't want to be alone
I need you to keep me warm
Baby reach out, touch me
Somethin' in the air
I got me feeling like I
Baby 2nite
But I feel this so so real
I want you to take me there
Baby reach out, touch me
Somethin' in the air
Is got me feeling
Like I want it 2nite
