This is just between me
And you
And you

Stay away
From my window
Stay away
From my back door too

Disconnect
The telephone line
Relax baby
And draw that blind

Kick off your shoes
And sit right down
Loosen up the back
Of your pretty French gown, yeah

Let me pour you
A good long drink
Ooh baby
Dontcha hesitate

[CHORUS:]
Tonight's the night
It's gonna be alright
Cuz I love you girl
Ain't nobody gonna stop us now

Come on angel
My heart's on fire
Don't deny
This one desire

You'd be a fool
To stop this time
Spread your wings and let me
Come inside cuz

[CHORUS]

Don't say a word
My virgin child
Just let your

Inhibitions run wild

The secret is
About to unfold
Upstairs
Before the night's too old cuz

[CHORUS]

Tonight
Tonight's the night

Tonight's the night
It's gonna be alright
Cuz I love you boy
Ain't nobody gonna stop us now

This is so special

Tonight's the night
Don't be afraid
You know I'm gonna make it alright

Tonight's the night
Don't be afraid
I'm gonna make things alright

Tonight's the night
Don't be afraid
You know I'm gonna make it alright

Tonight's the night
Don't be afraid
I'm gonna make things alright

Tonight's the night
Don't be afraid

Please don't leave
I don't wanna be left all alone
